On March 29, an 87-year-old male Citrus County resident diagnosed with COVID-19 passed away. This is the second person to die in the county while diagnosed with COVID-19.

We are expressing our condolences to his family and friends. The Florida Department of Health (DOH) will continue to work with our community partners to prevent the spread of COVID-19.

Positive cases and fatalities are reported by DOH twice a day, around noon and 7 p.m., on the DOH Dashboard. Please visit the DOH COVID-19 website at: <https://floridahealthcovid19.gov>. Here, you can find the DOH Dashboard and other important information regarding COVID-19.
